IN OUR DIOCESE

St. Joseph Health System Haiti Relief Update - The SJHS Haiti Relief project continues to work with our partners at the Hospital of Peace in the Delmas District of Port-au-Prince to improve health care delivery in very challenging circumstances. Our Haitian partners are very much aware and grateful for the generosity of the parishioners in the Diocese of Hamilton. To date the project has received approx. \$1.6M in cash donations, including \$1,051,922 from the Diocese of Hamilton and over \$2.3M of valuable in kind donations of much needed new and refurbished equipment as well as supplies for the patients of the hospitals, including over \$850,000 in much needed pharmaceuticals. Major accomplishments in the past weeks include: multiple teams of physicians, nurses and other skilled personnel from hospitals in the Diocese assisting on site at the Hospital of Peace; donations secured and safely delivered for infrastructure essentials including replacement main generator for hospital, replacement sterilizer, X-ray, anaesthesia and orthopedic equipment, as well as much needed drugs and medical supplies. We continue to work with the Haitian Minister of Health and the leadership team at the Hospital to ensure that patients receive the best care possible in these circumstances. Our efforts will continue in the months and years ahead in keeping with the legacy and Mission of the Sisters of St. Joseph of Hamilton. Please continue to remember the struggles of the Haitian people in your prayers. Pro-Life raise funds at our 'Walk for Life' Walkathon Saturday, May
