Lighthouse Catholic Media ~ Featured CD: *Shadow of His Wings*
- The story highlights the value of integrity. Fr. Goldmann expressed his beliefs to the point that even his fellow seminarians wouldn't venture; and he was the only one of them who actually survived the war, although he had many hardships. The power of prayer and faith is also a significant theme, and it's fantastic. *"As a relapsed Catholic at last 'come home again' at the end of my life the truth of the power of prayer and complete trust in God brought tears to my eyes as I realized how I had missed this all my life. I thank God for giving me another chance which I feel I did not deserve."*
